ORIGINAL

This matter was brought before the New Jersey State Board of Chiropractic Examiners ("Board") upon the application of Lisa Hollenbeck, D.C., through her counsel, for a stay of the Final Decision and Order filed by the Board on November 13, 1991, pending appeal to the Appellate Division. The complaint against Dr. Hollenbeck was transferred to the Office of Administrative Law as a contested matter for a hearing. The Initial Decision of the Administrative Law Judge was mailed to the parties on September 20, 1991. At the request of Dr. Hollenbeck, a mitigation hearing was held before the Board on October 17, 1991, and the Board's Final Decision and Order was announced in Public Session on that same date. The written Final Decision and Order setting forth with more specificity the Board's Findings of Fact and the basis for its Decision and Order was signed by the Board President on November 5, 1991. The Order subsequently was filed in the Board office on November 13, 1991. As a result of clerical error, the written Final Decision and Order was not mailed to the parties. On or about December 6, 1991, this error

was disclosed to the Board and a copy of the Order was sent to the parties by fax transmittal.

The application of Dr. Hollenbeck for a stay pending appeal advised the Board that she intended to appeal the Board's Order, but it did not provide any basis or reason for the granting of a stay. No response to the application for a stay was received from the Attorney General, complainant in this matter. The Board considered the application at its regular meeting of December 19, 1991 and reviewed the record in this matter to date.

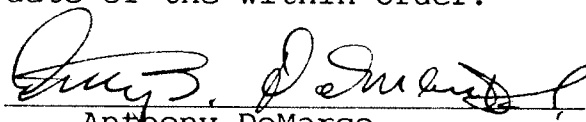

In view of the fact that Dr. Hollenbeck has failed to provide any good cause for the granting of the stay and considering the inadvertent failure to mail copies of the written Order to the parties, and for other good cause;

IT IS ON THIS 3rd DAY OF JANUARY, 1992,

HEREBY ORDERED THAT:

1. The application for a stay pending appeal is hereby denied.

2. The effective date for the commencement of this suspension of licensure, the payment of costs, and the submission of information regarding the performance of community service pursuant to the Board's Final Decision and Order shall be thirty (30) days from the entry date of the within Order.
